Family Child Care Providers

Get 4 Hours of WV STARS Credit in the Comfort of Your Own Home!

Building a Firm Foundation with TRAILS
One BLOCK at a time

This is a 4 hour; WV STARS registered training series derived from the Creative Curriculum for Family Child Care.

Topics covered include:

1. How Children Grow
2. Organizing Your Home and Day
3. What Children Are Learning
4. Building Positive Relationships

These trainings will take place in the Family Child Care Provider home or facility.
Trainings are provided in 1 hour increments

Please contact Amy Morrow, TRAILS Specialist with any questions or to register!

304-232-1603

Training Topics Offered January - March

Designing Developmentally Appropriate Days - *Child Growth and Development (1 hour) Environment & Curriculum (1 hour) - Intermediate Level -- Janice Barnett*

This training will provide an overview of Developmentally Appropriate Practice (DAP) - meeting children where they are to help them reach challenging and achievable goals. The participants will engage in activities that are developmentally appropriate and will learn what a DAP classroom looks like. Handouts will be given to support DAP in the classroom. *This training is intended for infant/toddler and preschool teachers, family in-home providers and directors of centers.*

Battling the Biter - *Child Growth & Development - Intermediate Level -- Linda Reeves*

Biting is an inevitable part of life for children in child care, particularly with infants and toddlers. This training explores some of the reasons why children bite and outlines some strategies on how to address situations in child care settings.

Being a Good Role Model - *HSN (1 hour), Child Growth & Dev. (.5 hour), Environment & Curriculum (.5 hour) Basic Level -- Renee Stonebraker*

This training focuses on how adult's words and actions can affect children's health habits, including personal hygiene, food choices and physical activity.

Conscious Discipline Overview - *Child Growth and Development - Basic Level -- Linda Reeves*

This training will provide an overview of Conscious Discipline- a comprehensive classroom management and social emotional curriculum. It is based on brain research, child development information, and developmentally appropriate practices and includes strategies for responding rather than reacting to life events. *This training is geared for anyone working with children in childcare.*

Ear Infections and Dealing with Lice - *HSN - Intermediate Level -- Lisa Yost*

This session will cover the common childhood issues of ear infections and lice. Steps to prevent and treat will be discussed as well as how to identify these common and sometimes frustrating issues that cause children to be absent from care.

Infant/Toddler Brain Development - *Child Growth and Dev. (1.5 hours) Environment & Curriculum (.5 hour)- Basic Level -- Chrissy Pownell*

Join us to discover how you as a child care professional can help infants and toddlers brains grow and develop. We will discuss, how brains are built over time; the structure of the brain; how interactive influences of genes and experiences shape the brain; what harms the brain and how infants have their own "curriculum" *This training is geared for anyone working with infants and toddlers.*

Infectious Diseases - *HSN - Intermediate Level -- Lisa Yost*

This session will cover 1 hour of infection control and 1 hour of common communicable diseases.

It's All About Relationships...Parents as Partners - *Family and Community Relationships - Intermediate Level -- Janice Barnett*

This training is designed to help teachers/caregivers maintain an open, friendly and cooperative relationship with each child's family. Strategies will be provided to encourage parent involvement as well as hands on activities to support the child and family relationship. *This training is geared toward family in-home providers, center teachers and directors.*

Training Topics Offered January - March

ITERS - Importance and Value in the Classroom - *Envir. & Curriculum- Intermediate Level -- Janice Barnett*
 The Infant/Toddler Environment Rating Scale-Revised is designed to assess group programs for children from Birth to 2 1/2 years of age. This training will provide an overview of the ITERS and allow participants the opportunity to practice observing and rating infant/toddler classroom environments.

Mandated Reporter: Reporting and Preventing Child Abuse & Neglect-*HSN-Intermediate Level -- Cathy Knox*
 This training is a comprehensive training session for mandated reporters of child abuse and neglect.

Medication Administration - *HSN - Intermediate Level -- Lisa Yost*
 This session will discuss proper administration of medication in the child care setting; guidelines of the WV Child Care Center Regulations (Minimum 5 - Maximum 20)

Providing Culturally Sensitive Care - *Family & Community -- Intermediate Level -- Janice Barnett*
 By providing culturally sensitive care, teachers build children’s confidence, competence and connections. This training will provide keys to providing culturally sensitive child care which will include discussions, videos, role play and relationship building strategies. *This training is geared toward family in-home providers, center teachers and directors.*

Tots and Blocks - *Child Growth & Dev. (1 hour) and Environment & Curriculum (1hour) - Intermediate Level Amy Morrow*
 This training will dive into your block area as we look at the benefits of block play, ways to set up the environment to promote exploration and learning. We will discuss block area materials and organization and activities to support development and problem solving skills. *This training is geared towards childcare providers working with children aged Infant/Toddler to School Age.*

On occasion a training will be listed in our newsletter or you will be notified of a special training event being offered that has not yet been listed on the WV STARS training calendar when you try to register. If this happens, please keep checking back with the WV STARS website so see when the training has been added.

Also, if you do not have a WV STARS number, you will not receive credit for the training you attended. You must have a WV STARS Number. Its easy to do just go to www.wvstars.org click on the Professionals Tab, click Join and follow the steps.

What is the **Key 2 a Healthy Start** for WV's Children?

Did you know that approximately 32% of children ages 2-19 are overweight or obese? The trend begins in early childhood with 27% of children ages 2-5. By taking part in the **Key 2 a Healthy Start** initiative, WV child care centers can become leaders in reducing childhood obesity rates in WV and raising a healthier generation of kids.

Key 2 a Healthy Start is a statewide quality improvement initiative in early care and education with the goal of preventing childhood obesity. Participating child care centers attend 3 one-day workshops that cover:

- Nutrition
- Physical activity
- Garden-based learning
- Personal health and wellness
- Parent Engagement & outreach
- Healthy celebrations

Workshop presenters include a pediatrician, registered dietician and pediatric exercise physiologist. Each participating program also receives on-site technical assistance visits after each workshop and will become part of a peer learning network. **Key 2 a Healthy Start** centers receive MyPlate portion plates and placemats, portable physical activity equipment, parent outreach materials, and much more! The workshops are free and WV STARS registered.

The 2017 workshop dates have not yet been determined, but will depend on the availability and preferences of participating centers. If you're interested in participating or would like more information, please contact Jessica Dianellos at Jessica.Dianellos@camc.org or call 304-388-3409.

WVIT
Morgantown
Child Care Resource Center
Spring 2017

Participants must work with subsidized children up to 35 months for 20 hours or more a week and MUST be registered with WV STARS .

please contact:
Chrissy Pownell at
304-292-7357

CCRC is pleased to announce the addition of our new TRAILS Associate, Debbie Hercules. Debbie comes to us with much experience and knowledge. Debbie has worked in the early childhood field for over 17 years, she has been a teacher assistant, lead teacher, teacher/staff supervisor and human resource assistant. Debbie is very excited to be at CCRC and is looking forward to meeting you.

Debbie is located in the Wheeling CCRC office located at 2000 Main Street.

You can contact her at 304-232-1603 or debra.l.hercules@wv.gov

CCRC is also very pleased to announce the addition of our new Child Care Specialist, Katie Hartman. Katie has previous case management experience in the mental health field and is excited to use her case management skills & experience here at the CCRC. Katie looks forward to meeting and working with our families and providers.

Currently Katie is located in the Morgantown office, but effective January 1, 2017 she will float between the Morgantown and Fairmont CCRC offices .

You can contact her at 304-292-7357 or maura.k.hartman@wv.gov
