

Child Care Resource Center Announces New Director

CCRC is proud to announce Brittany Lucci as the new Director.

Brittany previously was the Quality Improvement Specialist serving all 8 counties in Region I.

Brittany's Master's Degree in Child Development and Family Studies and her 19 years of experience in the field of early childhood will provide her with the knowledge necessary to lead her newly acquired team.

Brittany is excited to take on this role and lead her talented staff.

Brittany's office will be located in the Morgantown Child Care Resource Center, 965 Hartman Run Road, Suite 1103, Morgantown, WV 26505.

You can reach Brittany at 304-292-7357 or brittany.k.lucci@wv.gov

Please join us in welcoming Brittany to our agency.

Training Topics Offered October - November - December

Ages & Stages Questionnaires: Social Emotional - *Child Growth & Dev. - Advanced Level -- Janice Barnett*

This training will provide participants with an overview of the Ages & Stages Questionnaires Social Emotional. Ages & Stages: SE2 is a screening tool designed to be completed by parents and/or caregivers to screen social-emotional development in children from 1 to 72 months. Participants will practice and score screenings. This training is geared toward teachers, directors, in-home providers of children 1 to 72 months.

Autastic! Autism Awareness - *Ob. & Assm't/ Envir. & Curriculum - Intermediate Level -- Sydney Cheesebrough*

Welcome to Autastic! Autism Awareness training developed for Infant/Toddler & Preschool care providers. Training will provide a large inventory of information about the most current research on Autistic Disorder, strategies and tips for working with a child or children diagnosed with Autistic Disorder or Social Pragmatic Communication Disorder, local resources, history and statistics of Autistic Disorder and more!

Help! Send Me to a Quiet Space! - *Child Growth & Dev. and Envir. & Cur. - Intermediate Level -- Linda Reeves*

A quiet space is a special quiet area where a child can go to cool off during conflict or when overwhelmed or frustrated. This training will discuss setting up a designated quiet space in child care settings and homes as well as an overview of specific self-calming techniques to promote in infants, toddlers and young children.

ITERS - The Importance and Value in the Classroom - *Envir. & Curriculum - Intermediate Level - Chrissy Pownell*

The Infant/Toddler Environment Rating Scale-Revised is designed to assess group programs for children from Birth to 2 1/2 years of age. This training will provide an overview of the ITERS-R and will allow participants the opportunity to practice observing and rating infant/toddler classroom environments. The training is geared to Center Directors and Infant/Toddler Teachers.

Mandated Reporter: Reporting and Preventing Child Abuse & Neglect-*HSN-Basic Level*

Linda Reeves in Wheeling --- Sydney Cheesebrough in Morgantown

This training is the approved course for child care providers in recognizing, reporting and preventing child abuse and neglect. This includes understanding the role of the mandated reporter, recognizing warning signs of child abuse and neglect and increasing protective factors for families and communities.

Medication Administration - *HSN - Intermediate Level -- Glenna Bailey in Wheeling*

Rachel Richard in Morgantown

This is the training that is required that allows child care providers to administer medications to children in the child care setting. Topics include state regulation requirements, best practices and special situations. The participant must complete requirements of the training in order to be able to administer medications.

New Recipe Ideas - *Child Growth & Dev. And HSN -- Basic Level -- Renee Stonebraker*

This training discusses unique foods to try from most food groups, healthy versions of children's favorite foods and snack ideas.

Professional Ethics in Child Care - *Professionalism and Leadership - Basic Level -- Missy Cuppett*

Providers will gain an awareness of what appropriate ethical responsibilities they hold as child care providers. The Code of Ethics will be discussed as well as the difference between the Code of Ethics and Personal Values in the child care setting.

Safe Sleep in Child Care - *HSN - Basic Level -- Janice Barnett*

This training will provide participants with an overview of the definition of Sudden Infant Death Syndrome (SIDS) and Sudden and Unexpected Infant Death (SUID) as well as current research regarding education on awareness and knowledge of safe sleep practices. Resource will be given including tips for parents and an example of a safe sleep policy for child care centers and in-home providers. This training is intended for anyone working with infants and toddlers.

Safe Sleep Practices - *HSN - Basic Level -- Renee Stonebraker*

This 2 hour training covers the guidelines on how to reduce SIDS and suffocation risks for infants 0 - 1 years of age and sleep guidelines for older children.

West Virginia Early Learning Standards Framework - Infant/Toddler - *CG & D - Basic Level*

Janice Barnett in Wheeling --- Chrissy Pownell in Morgantown

What is the WV Early Learning Standards Framework for Infants and Toddlers? If you don't know the answer, then this training is for you! Need a refresher? Then the training is for you too. Come explore the WV ELSF IT and find out its purpose, content, how to apply it and ways it benefits professionals, programs, parents and children.

Friendly Reminders when attending Professional Development Training

- Register for training on WV STARS at least 24 hours prior to the training to secure your spot and to be notified if the training is cancelled.
- If you sign up for a training and cannot attend, please go to WV STARS and remove yourself from the selected training. Often times we have a waitlist and this will allow someone else to fill that spot.
- Arrive on Time -- you cannot receive WV STARS credit if you arrive more than 15 minutes late or leave more than 15 minutes early.
- Come Prepared - make sure that you have a pen or pencil for taking notes.
- Silence your phone and please limit phone usage during the trainings - if you need to take a call during the training, please step out of the room.
- Please throw away any trash you have accumulated and leave the area clean and in the same condition you found it.

Your Attention to These Details is Very Much Appreciated 😊

CCRC is pleased to announce the addition of Rebecca “Becca” Lief to the Professional Development training team.

Becca will be providing services as the TRAILS Early Childhood Specialist serving all 8 counties in Region I.

Becca is graduate of the University of Tennessee-Chattanooga where she holds a Bachelor of Science degree in Early Childhood Education PreK - 4 and a Master’s degree in Special Education K-12.

Becca has spent her time working in positions that have allowed her to teach in Pre-K, Kindergarten, 1st Grade and Special Needs classrooms as well as providing support and guidance to teachers in mainstream classrooms for integration of special needs students with varying exceptionalities.

Becca is excited to be at CCRC and is looking forward to meeting the child care providers and community partners.

Becca is located in the Wheeling Office at 2000 Main Street - Suite 100 -- 304-232-1603.

Child Care Director Professional Development

Hancock/Brooke call Janice at 304-232-1603

Monongalia call Chrissy at 304-366-3615

Ohio/Marshall call Chris at 304-232-1603

Marion call Missy at 304-366-3615

Professional Development Opportunities

Understanding Pre-Schoolers

Based on the Winning Ways for Early Childhood Professionals by Gigi Scweikert

This 8 hour module series PLUS 1 hour Technical Assistance visit will give early childhood educators a better understanding and appreciation of how preschoolers develop, learn, communicate and typically behave. This training will include group discussions and activities which will help participants to take their new skills and confidence into their classroom and better prepare their students for their transition into kindergarten. The Understanding Preschoolers module series is best geared towards preschool/pre-kindergarten teachers or those working with children between the ages of 3 and 5 years old.

Module 1 -- Wednesday - November 28th

Session I: Introduction to the Winning Ways Series/Understanding Preschoolers

Session II: Understanding How Preschoolers Learn

Module 2 -- Wednesday - December 5th

Session I: Planning for Success

Session II: Learning to Interact with Preschooler

Module 3 -- Wednesday - December 12th

Session I: Communication

Session II: Dealing with Separation

Module 4 -- Wednesday - December 19th

Session I: Helping Preschoolers Better Rest and Relax

Session II: Guiding Behavior

All module trainings held 6:30 pm to 8:30 pm at the CCRC in Morgantown

Upon completion of module series and Technical Assistance visit participants will be awarded Developmentally Appropriate Resources and 9 WV STARS hours
2 Hours in Child Growth & Development - 2.5 Hours in Family & Community Relationships and 4.5 Hours in Environment and Curriculum

For more information, please call Missy Cuppett at 304-366-3615

Want to See What New Opportunities are Available with WV STARS?

Mark your calendar to participate in 1 of the WV STARS Webinars that will inform you on what is up and coming with WV STARS. Participants will receive 1 hour of WV STARS hours for participation.

For More Information or Questions please call Sarah Bailey WV STARS Scholarship/Earnings Specialist at 304-522-7827 or

WV Infant and Toddler Professional Development Program

WVIT II – RELATIONSHIP BASED CARE:

WVIT II consists of a 45-hour course for caregivers (10 classroom sessions and a practicum) and a six hour course for administrators (2 classroom sessions). Caregivers and administrators enrolled in this program will have successfully completed WVIT I. This professional development program aligns with WV STARS Core Knowledge and Core Competencies for Early Care and Education Professionals.

While WVIT I provided an overview of quality infant/toddler care, WVIT II focuses on the heart of quality care – the relationship of the caregiver with the child, the child’s family, and with colleagues. Through this course, caregivers and administrators have the opportunity to examine the relationships in their infant/toddler programs and learn strategies for assessing and strengthening the quality of their programs with respect to those relationships.

Through participation in WVIT II, caregivers will increase their knowledge and skills related to planning, implementing, and evaluating relationship-based, individualized infant/toddler programs. WVIT II builds on key concepts presented in WVIT I, especially those related to building respectful, nurturing relationships with children, their families, and colleagues. Information and strategies from relationship-based resources such as the Program for Infant Toddler Care (PITC), and the Pyramid Model from the Center on the Social and Emotional Foundations for Early Learning (CSEFEL) will be incorporated throughout the training sessions.

The content for WVIT II for caregivers is presented in 3 modules (35 classroom hours) with a 20-hour practicum (equaling 10 classroom hours) to be completed side-by-side with the modules.

Module I – Relationships: The Key to Quality Infant/Toddler Care

Module I consists of three 3.5 hour classroom sessions. This module covers the importance of positive nurturing relationships with children, families and colleagues based on information from the Pyramid Model and PITC. Primary Caregiving is presented as a vehicle for implementing and maintain a relationship-based program, In addition, participants have the opportunity to explore and practice strategies to enhance communication, a key factor in the development of strong, supportive relationships.

Module II – Supporting the Unique Development of Infants and Toddlers

Module II, which is four 3.5 hour classroom sessions, focuses on the uniqueness of the 0-3 developmental period and the understanding of curriculum in support of that development throughout the environment and the daily routine. Emphasis is placed on understanding the importance of building a curriculum that responds to the different stages of each child’s individual development.

Module III – Strategy for Action: Applying Reflective Observation and Assessment Strategies

Module III consists of three 3.5 hour sessions and provides strategies and purposeful collection of information about each child through observation, family interactions, and other assessment tools. Strategies are provided on how to use this information to enrich relationships and to plan intentionally to support the development of individual children.

Practicum – Activities in Support of Learning Objectives

A 20 hour practicum (which is equal to 10 classroom hours) is included as an important part of WVIT II. The practicum provides opportunities for participants to reflect on their practice, and to develop and implement new strategies to enhance the quality of relationships within their programs. During Module I, caregivers are introduced to the practicum purpose and process. They also select their practicum project from several choices that align with the objectives of WVIT II. The practicum will be an on-going activity throughout the remaining modules with a final presentation at the end of the course.

ACDS

Apprenticeship for Child Development Specialist

You may have heard about ACDS, but do you know about the many different ways that you can become involved in the program? It is true that the ACDS program is an educational opportunity for early childhood professionals throughout WV. However, it is also true that there are many different stakeholders involved in the implementation and continuation of the program. The ACDS program is supported by numerous individuals that serve in a variety of capacities to help sustain the quality of the program. The ACDS program is continually searching for additional support from the early childhood professional community to assist with the growth and preservation of the program. For more information and details on how you can become involved with the ACDS program please contact us. We look forward to having you join our team!

Jennifer Conkle—ACDS Statewide Coordinator

Tara Kitts—ACDS Specialist

Ways to Become Involved in the ACDS Program

- Apprentices—students in ACDS
- Journeypersons—graduates of ACDS
- Supervisors—support apprentices at the work site
- Mentors—support family providers and directors at the work site
- Local council members—local support of class scheduling and implementation
- Local council representatives—attend executive council meetings to represent local needs at the state level
- Instructors—attend instructor academy and teach ACDS curriculum
- Executive council members—state council made up of a variety of vested partners across the state that make decisions regarding ACDS

Our Mission

ACDS promotes highly skilled, confident early childhood employees; quality early childhood classrooms; and informed, supportive early childhood professionals.

Health & Safety Grants

Health and safety grant applications are available through CCRC to family child care providers and family child care facilities in Hancock, Brooke, Ohio, Marshall, Wetzel, Tyler, Monongalia, and Marion Counties.

The grants can be used to assist these home providers with meeting health and safety requirements as well as to reward them for completing the requirements to move up a tier on the tiered reimbursement program.

Providers are eligible for up to \$250 for registered home providers and up to \$500 for family child care facilities once a year. Some health and safety items such as smoke alarms, carbon monoxide detectors, and first aid kits are available on site.

If you have not had received a health and safety grant for this year (starting July 1, 2018) and are interested in receiving free health or safety items for your home please contact your local CCRC office to request a grant application.
