

CCRC Coaching & Support

No matter how old you are, relationships are the foundation to all learning.

A healthy relationship involves trust and respect, working together for continuous growth and improvement.

Children thrive in this environment and so do adults.

We are fortunate to have wonderful childcare providers in our region, but what if those childcare providers are new, feeling overwhelmed or have just lost their spark and need a little extra coaching or support?

They call CCRC and talk with one of our wonderful specialists to work through the challenges.

Is there a magic wand to fix these challenges? No, the process takes time and everyone involved must be in sync before positive change can occur. The good news is that CCRC is here to help work through the process.

My name is Ashley Long, I joined the CCRC team on April 26, 2021 as the TRAILS Associate. I am married and have 3 sons.

Before coming to CCRC, I was a Family Child Care provider for over 10 years.

I am super excited to be a part of the team. I look forward to meeting and helping Family Childcare providers, Facilities, and Centers.

I am located in the Wheeling CCRC office and can be reached by phone at 304-232-1603 or email ashley.d.long@wv.gov

Hi, my name is Andrea Littleton. I have an Associates Degree in Early Childhood Development and Mental Health and a Bachelor's Degree in Human Services.

I have been an Infant/Toddler teacher in Columbus, Ohio as well as a parent educator, service specialist and monitor for Head Start in West Virginia. I am so glad to be joining the CCRC team and sharing my experiences!

I will be located at the CCRC office located in Wheeling and can be reached by phone at 304-232-1603.

Training Topics Offered October - November - December

Back to School is Kool with TRAILS! - *Environment & Curriculum - Basic Level -- Chris Gillis*

In this training we will discuss developmentally appropriate activities and materials geared toward school age children. We will also explain how our free TRAILS program works and can enhance your childcare home or center. The training is geared toward childcare providers working with children 6 years of age and up.

Beans.....More Than Just Cute Songs- *HSN/CG&D -- Basic Level -- Renee Stonebraker*

Nutritional and health benefits of beans, how to use beans in a CACFP menu, bean recipes and warnings about beans.

Bed Bugs & Beyond - *HSN/Envir. & Curriculum -- Basic Level -- Renee Stonebraker*

Information on bed bugs, head lice, mice and rats, cockroaches and ants and how to manage them at a child care center.

Beyond the Hokey Pokey! Movement Activities for Our Preschoolers - *Envir. & Cur. - Basic Level -- Missy Cuppett*

This online training will discuss the benefits and importance of movement activities in the preschool classroom. The presenter will review several movement activities including the life skills the children will gain by trying the activity, materials needed, directions, and possible adaptations/extensions for the activities. This training has been created for children ages 3-5 and would best suit teachers that work with this age group on a regular basis.

Music Matters! - *CG&D; Envir. & Cur. - Basic Level -- Missy Cuppett*

This 2 hour online training will give early childhood educators a better understanding and appreciation for the importance of music in the classroom. The training will discuss the benefits of music in each of the developmental domains, music/movement activities to utilize across various areas (ie; - music and science and music and math) and how to create a music center in the classroom or improve the music center if one already exists.

This training is intended and geared toward Preschool/Pre-K teachers.

It does not incorporate information for children under the age of 3.

Oral Health- *CG&D/Envir. & Curriculum/HSN -- Basic Level -- Renee Stonebraker*

Importance of dental care for children, proper procedure for brushing teeth in a child care center for each age group, and oral health activities.

Professional Ethics in Child Care - *Professionalism and Leadership - Basic Level -- Missy Cuppett*

Providers will gain an awareness of what appropriate ethical responsibilities they hold as child care providers. The NAEYC Code of Ethics will be discussed as well as the difference between the Code of Ethics and Personal Values in the child care setting.

Ready, Set, Read! - *CG&D - Basic Level -- Chris Gillis*

Participants will learn how literacy begins to develop in the earliest years. Giving children the best start in the early years is critical to developing a lifelong love of reading and learning. This training is geared toward providers working with children 3 to 5 years of age.

Surviving Holiday Stress with Young Children - *CG&D; F&CP -Basic Level -- Linda Reeves*

The holiday season can be a happy and exciting time, especially with young children. But for many people, both young and old, the holidays can also be very stressful and overwhelming. This online training will explore strategies for childcare providers (centers, facilities and family childcare homes) and families to have a simpler and happier holiday season with young children. Open to all who provide services to children and families in early care and education settings.

Watch Me Grow! Monitoring Early Development and Sharing Concerns with Families - *CG&D; F&CP;*

Child Ob. & Assm't -- Basic Level -- Linda Reeves

Childcare providers are in a unique role to monitor developmental milestones and provide support and resources to families, particularly during the first critical years of life. This online training will review key developmental milestones during the first three years of life and discuss tools to help you work with families to monitor children's development, share your concerns with families, and help families get connected to services and support that can make a real difference. Based on the CDC's "Learn the Signs. Act Early" program.
