To our Child Care Providers,

The recent stay-at-home order from Governor Jim Justice that goes into effect Tuesday, March 24, 2020 at 8:00 pm has created multiple questions among our providers across the state. The Division of Early Childhood Education (ECE) will be providing us with information as soon as it is approved for release. Once that information comes across, we will put information out on our Child Care Resource Center WV Facebook page as well as our CCRCWV.org website. Cathy Knox will also send a notice out through her newsletter listserv.

ECE does consider the Resource and Referral agencies, such as the Child Care Resource Center, essential and therefore, we will remain open via phone and email communication. You may continue to contact our Wheeling, Morgantown, and Fairmont offices. The New Martinsville office at this time is accepting emails all week. Phone calls will be answered on Tuesdays and Fridays. Messages left on voicemail will be answered on Tuesdays and Fridays as well.

Thank you for your patience. Please refer to our website or Facebook page for the most up-to-date information.

Thank you,

Brittany Lucci, M.S.
