To our Child Care Providers,

In response to the Governor's Stay-At-Home order we received today and that goes into effect tomorrow at 8:00pm, we want to let you know that child care is still considered an essential business as you play an intricate part keeping families working. The order can be viewed by going to <https://governor.wv.gov/pages/default.aspx#homeorder>. Child Care is regarded as essential under the 3.e. within the executive order.

We understand your reservations about remaining open. We are here for you if you need us to help you answer questions, forward questions and concerns to ECE, or to get the latest information we have to offer.

We encourage you to please continue to check our website [www.CCRCWV.org](http://www.CCRCWV.org) and our Facebook Page @childcareresourcecenterwv for the most up-to-date information.

Thank you for all you do for the children and families you serve each day!

Cheerfully,

Brittany Lucci, M.S.
