

MEMORANDUM

To: Child Care Providers & Child Care Resource & Referral Agencies
From: Diana Gillispie, Policy Specialist
Date: July 31, 2020
Re: August 2020 Provider Reimbursement

There are currently no changes in the provider reimbursement process for the month of August 2020. The WV Child Care COVID-19 Response will continue.

The month of August 2020 will have a possible 21 work days. Therefore, the Division of Early Care and Education has set the billable days for subsidy child care at 21.

August 2020 Billing Procedures

Crisis Child Care sites will be permitted to bill 21 days for both essential and non-essential children who are currently on their subsidy roster, whether attending or not attending. If children attend more than 21 days, actual days of attendance may be billed. Child care providers registered as crisis care sites will continue to be reimbursed at the Tier III plus the special needs rate.

Providers who have not registered as a critical care site or are closed, due to the public health crisis, will be permitted to submit August 2020 payment request for the child(ren) of non-essential workers who are on their subsidy roster but not attending. These providers may bill up to 21 days or the maximum allowed on the child's certificate, whichever is less.
