

## April 30, 2021 Announcement:

The Governor has extended child care subsidy assistance for all essential workers of any income level. This is to enable essential workers to continue serving the public during the ongoing pandemic. Please disregard any closure notice that you may have received regarding closure for exceeding income guidelines.

Thank You,

The Division of Early Care and Education

\*If you applied as an essential worker and were denied due to being over income, please call your local CCRC on Monday, May 3, 2021 to begin the application process.
