Child Care Resource Center

# Thank you for your interest in providing quality childcare!

First, let's answer some very important questions before beginning your journey as a child care provider.

- ✓ Do you enjoy working with children and families?
- ✓ Do you have a high energy level?
- ✓ Do you pay attention to what children are doing?
- ✓ Do you have good communication skills?
- ✓ Do you want to learn more about a child's development?
- ✓ Do you want to learn basic First Aid and CPR?
- ✓ Are you able to feed children nutritious meals and snacks?
- ✓ Are you willing to complete required attendance sheets/payment forms to submit on a monthly basis?

These are just a few of the basic questions for you to think about as you consider a career in providing quality child care services.

Child Care Resource Center

Hopefully, you answered yes to the previous questions, and are eager to learn more about getting started in your child care adventures!

**YES**

# Most Common Provider Types

- ❖ Family Child Care Home: A facility which is used to provide nonresidential child care for compensation in the providers home. The provider may care for four to six children, including children who are living in the household, who are under six years of age. No more than two of the total number of children may be under twenty-four months of age.
- ❖ Family Child Care Facility: Any facility which is used to provide nonresidential child care for compensation for seven (7) to twelve (12) children for four or more hours per day, including children who are living in the household who are under six years of age. No more than four (4) of the total number of children may be under 24 months of age. Two adults supervising at all times.
- ❖ Child Care Center: A facility operated for the care of 13 or more children on a nonresidential basis. Additional staff needed.

# Program Requirements

## Family Child Care Provider Qualifications

- ❖ You must be 18 years of age or older
- ❖ Cannot be the parent, stepparent, or legal guardian of the child who needs care
- ❖ Care must be provided in your home
- ❖ As you are considered self employed, you must pay for your own taxes and social security
- ❖ Everyone in the home 18 years of age or older must be fingerprinted and have no serious criminal history
- ❖ No one in the home may have a history of abusing or neglecting a child or an adult
- ❖ You must have a physical exam
- ❖ Your home must meet the regulations set forth by WV DHHR
- ❖ Smoking is not permitted in a family child care home while children are in care
- ❖ Must be able to read and write and understand the rules, agreements, payment forms and other paperwork involved in the program
- ❖ Cannot use any form of physical discipline, such as spanking, hitting or slapping
- ❖ Complete the required amount of training set forth by WV DHHR
- ❖ May not operate for more than 18 consecutive hours in a 24-hour period

# Training

A family child care provider must complete eight (8) hours of approved training each year.

Providers can select training from the following core competency areas:

- Child Growth and Development
- Health, Safety and Nutrition
- Environment and Curriculum
- Child Observation and Assessment
- Family and Community Relationships
- Administration and Management
- Professionalism and Leadership

Within three months a family child care provider must obtain approved training in first aid that includes rescue breathing and choke saving.

CCRC provides a newsletter each quarter reflecting what free trainings are available in your area.

Make sure to keep track of your trainings on the Provider Training Record (ECE-CC-22)

# WV STARS

## Training and Registry System

All training received through the Child Care Resource & Referral office is registered with the West Virginia Training and Registry System (WV STARS)

All persons attending training will need to have a STARS number and register for the trainings by logging on to [WVSTARS.org](http://WVSTARS.org).

A CCRC Professional Development team member is willing to help assist you through this process if needed.

You will need to set up an email account you can access easily.

# Child Care Resource and Referral

The Child Care Resource Center **Case Managers** assist new and existing providers in answering questions about child care payment issues and processing provider payment forms.

The Child Care Resource Center also offers technical assistance to providers which include:

**TRAILS**-Traveling Resource and Information Library System. TRAILS staff, which include an Early Childhood Specialist and TRAILS associate, can make an appointment to visit your home to lend books, toys, games, equipment, and to provide training.

**Behavior Consultants** – Make visits to providers homes to observe children and give ideas to providers concerning various behavior issues.

**Infant/Toddler Specialists** and **Early Childhood Specialists**– Provides core competency training and technical assistance to providers.

**Quality Improvement Specialist**- Outreach and Support Specialist- Responsible for assisting providers in achieving higher quality standards.

# Health and Safety Grants

Health and Safety Grants, which are funded by the Department of Health and Human Resources, are available for Family Child Care Providers to assist them in meeting regulatory and licensing requirements for operating a child care program.

A provider must be approved by the Department of Health and Human Resources to be eligible for grant funding. Once eligible, the grant amounts are generally \$250.00 and are to be used for the purchase of items needed such as smoke detectors, first aid kits, fire extinguishers, as well as many other items to meet regulation requirements.

Next Steps

# Next Steps to Becoming a Child Care Provider

- ❑ **Step One** – Is the Fingerprinting process. The provider and all adult household members/residents eighteen years of age and older will need to be fingerprinted **through WV CARES.**

WV CARES is the vendor that has been approved by WV DHHR to process certain background checks. An Administrative Account can be set up by calling 1-304-558-2018 or email at [wvcares@wv.gov](mailto:wvcares@wv.gov)

The provider will need to complete the WV CARES online Training.

The provider will then need to schedule an appointment to be fingerprinted at a Identogo site. [www.identogo.com](http://www.identogo.com)
